DETAILED ACTION

Reissue Applications

1. The current amendment does not comply with Rule 1.173 (i.e., entry before allowance). None of the amendments are in proper form.
2. The declaration is defective because of the following:
 - a) It was submitted on June 20, 2003;
 - b) The application to which the oath or declaration is directed has not been adequately identified. [See MPEP § 602; Rule 1.63 (b) (1)];
 - c) It does not state that the person making the oath or declaration has reviewed and understands the contents of the application, including the claims, as amended by any amendment specifically referred to in the oath or declaration [see Rule 1.63 (b)(2)].

It appears to refer to the original – not the reissue.

3. More than one reissue application has been filed for the reissue of Patent No. 6,032,156. The reissue applications are application numbers 10/087,003 (the present application) and 10/616,602, all of which are divisional reissues of Patent No. 6,032,156.
4. Claims 1 – 71 and 79 – 83 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.
